

## Revenue Bonds Offered For Early Construction

Mayor A. R. Grigsby, said today: "We are happy to announce that the long desired water treatment plant for the City of South Bay is now being considered a reality."

The present City Commission has labored tirelessly and given freely of its time securing for the City of South Bay a facility which is a MUST if the City expects to grow.

This project has been attempted several times in the past and for one reason or another has failed to materialize.

It is not necessary to remind the people of South Bay of the water service with which they have had to contend over the years. Neither do we need to remind the people of South Bay that if any progress is to be made, and if we are to keep pace with the growth of our community, we cannot continue to be complacent in our present status.

Industry is moving into the Glades and more's yet to come and at South Bay we expect its fair share of the benefits, we make every effort with our sister cities and the progress of the Glades as a whole. It takes very little research to ascertain that a good water supply is perhaps of first importance in luring industry to your community. The Commission has approached this project on a very sound basis. We employed a highly reputable engineering firm, Brockway, Weber and Brockway of West Palm Beach to prepare for us a feasibility report which was studied very thoroughly and was passed on to our Fiscal Agents whom we had employed for their study. This feasibility report proved beyond a shadow of a doubt that South Bay can own its own water treatment plant which not only will

give the people water supply needed, but will, with a few other adjustments, have a considerable bearing on the fire insurance rates of this city. In connection with the feasibility report has proven that no increase in water rates will be needed to pay off the bonds which are being issued to finance the plant. In fact, the report indicates that a reduction in water rates are not out of the question. We do not wish to make the definite statement that water rates will be cut, but it is our opinion at this time that this will be possible after the second year of operation.

We have recently approved a resolution calling for the sale of \$375,000.00 of bonds which are to be retired solely from water revenues.

There will be no additional taxes placed upon the people for this purpose. In order to make the bonds more acceptable to the buying public we have agreed to pledge our utility tax from month to month only. Our Fiscal Agents, Poits and Shivers, have stated that they are willing to make an offer of these bonds immediately, which is a strong endorsement of the soundness of this project.

## Elementary PTA Sets Teachers' Reception Oct. 1

The first meeting of the Elementary School Parents and Teachers' Association will be held at the Elementary School auditorium Tuesday Oct. 1 at 8 p. m. followed by a reception for all teachers (new and returning). The elementary PTA includes grades one through 6 and all parents are urged to attend and participate.

During the business meeting with Herb Chapman, president, Chairman, Chairman, J. R. Orsengio will discuss PTA plans for the coming year 1963-64. Mr. Carpenter will give a talk on the PBC School Board's financial meeting and the millage election; Principal Crawford will give a brief resume on the growth of the school.

Attendance program will be held again this year, based on the highest percentage of attendance for each room.

## Drive Legally—Or Else!

In an effort to reduce injuries on the highways, the Florida Highway Patrol and the Sheriff's Department have undertaken a plan of cooperation to lessen violation of traffic laws.

Special patrols, some in normally marked cars and some in unmarked vehicles, will spot patrol the highways — one day here and next some place else, shifting first to the spots of congested traffic.

It is reported that officers will be uniformed, in the unmarked cars.

Pressure has come down from Tallahassee "to take steps to reduce highway accidents" — So, if you're driving, do it according to the rules. The freedom from "big trouble" you save may be YOURS.

## "Old-Timer" LeBron Williams Welcomes Three New BG Commissioners

Weather in the West Borough, Bailey of the central Borough and Farmer of the north borough will take office at 12:01 of October 1st. The first meeting is scheduled for October 8th.

## \$200,000 in Prizes To Be Given Away At Ford House party

Prizes galore... in fact 1,210 of them, valued at \$200,000 will be given away at your Ford Dealer's House Party which begins this week and ends October 31, 1963, at Roy Marlowe Ford, Inc., Belle Glade.

"Imagine going to a party where the door prize is a '64 Thunderbird and a House Kit!" sales manager Al Piller said. "That's just what we're inviting you to do... only there are ten '64 Thunderbirds to be won them!"

In case you aren't familiar with the Swift A-Frame House Kit this is a whole new concept in home styling. Mr. Roy Marlowe reported, "It's a whole new concept in home styling... unique, dramatic, practical too." The sturdy "A" design gives you two full glass walls gives you a panoramic view... a view of a mountain lodge or seaside resort. You arrange your own floor plan when you erect your Swift Vacation Home," he said.

There are 1,210 prizes in all Ford Galaxie Hardtops, Fairlane Ranch Wagons, Falcon Futuras, Convertibles, Color TV sets, Stereo Consoles, Portable TV Sets and Transistor Radios.

The Ford Dealer's House Party is planned along with the showing of the new '64 Ford. All you do to win any of these valuable prizes is fill out the entry form available at your Ford Dealer's on Ave. E.

This fabulous offer ends October 31, 1963.

## Everglades Federal Offers Schooling In Fla. Lien Laws

"We are inviting all interested in Florida's latest lien laws and especially builders, contractors and material dealers to attend a discussion of Florida's lien laws, Thursday night at 7:30 p. m. in the Community Building, near the high school," says Vice President Bunn McCall of Everglades Federal Savings and Loan Association.

There are some very important changes in the old laws, and all dealers in materials and equipment, as well as builders of all types should familiarize themselves with their provisions.

This is an opportunity to get the information in a question and answer session.

**DRIVER'S LICENSE!** Please buy your driver's license now. It's time if you were born in September of an odd-numbered year.

## Adult Music And Drama Classes Sponsored By Fine Arts Sorority

At a called meeting of Omicron Chapter, Sigma Eta Fine Arts Sorority, held at the home of President Mrs. Mary Anderson Friday night, plans were finalized for membership in two new classes in the Glades Area under the Department of Adult Education. The sorority, in the interest of promoting fine arts in the Glades Area, has since 1950, the Adult Education Class in Art, taught by Mrs.

Margaret Earwood. This class has been such a great success that more members wish to enroll than the class has room for. It is hoped that the two new classes offered this fall will have more than enough interest.

The class in Music, taught by Mr. Fred Stevens, will offer instruction in either choral or instrumental music. If there is a heavy demand in both these areas arrangements can be worked out to serve both groups.

Mrs. Stevens announces that some instruments are available on a rental basis. Musicians — young or old — who are beginners or accomplished — all are welcome to join this group.

The class in Drama will lead, it is hoped, to the formation of a Little Theatre group. Those interested in acting, staging, lighting, or other phases of Play Production will find a place in this group. This class will be taught by Mr. John Snider, teacher in the English Department at Forest High School in West Palm Beach.

The classes will be held at Belle Glade High School and will meet one night a week. Tentative plans call for one class to meet on October 8th, one Thursday, thus giving interested persons a chance to join both classes.

The classes will run through the school term, ending in the late spring. Plans call for a joint production combining both classes, to be a final offering to the community. Membership is open to ALL adult residents of the Glades.

Spanish-speaking residents could find here a natural and enjoyable way to perfect their use of the English language.

The small membership fee of \$3.00 per semester is made possible only because the Adult Education Department is providing the services of Mr. Stevens and Mr. Snider, both earnest and capable young men, each an expert in his field.

In order for classes to get underway by October 8th, enrollment should be made at once. Mrs. Edvire Burdine, 221 S. E. 7th, North, Belle Glade, Sorority member, is in charge of enrollment. Call WYman 6-5116 if you wish to make arrangements by telephone.

These classes, under the direction of Kenneth Johnson, Director of Palm Beach County Vocational School, are offered in cooperation with Pellon Morris, Principal of Belle Glade High School. There will be no tuition charge and only a small registration fee will be charged. Any one interested in obtaining further information before the meeting may contact Wayne K. Fortenberry after 4 p. m. by calling at the High School or WY 6-5354 or his home WY 6-3337.

## Ram's First Home Game Friday Nite

Fri. Nite

## Starting Lineup For First Home Game

Starting on offense for the Rams' first home game this Friday night with Forest Hill will be Ends Johnny Dell and Tim Hill. Tackles, Don Abel and Skip Fuller; Guards, Ron Halbrook and Emmett Trammell; Center, Jimmy Johnson; Backs, Eddie Buckner, Charles Thompson, Buckley Holt, John Causey and Roy Hayes.

Vince Venos, tackle, may miss the Forest Hill game due to a broken nose he received in the last quarter of last week's play against Vero Beach.

Cary Walls, a sophomore, will play tackle on defense and Skip Fuller will play tackle on offense. Dewey Jones, defensive end, will miss Friday's game but meeting weekly eligibility requirements.

Other star players pictured with Eddie are Johnny Dell cited as last week's player of the week, and Danny Shiver.

Eddie Luckner (center) was named "Player of the Week" for the Rams by Coach Burke. Eddie played an outstanding defensive ball game against Vero Beach in intercepting two passes and making tackles that prevented Vero from scoring, the Coach said.

Eddie is a utility backfield man for the Rams on offense playing, both offensive fullback and quarterback for Friday night's game. He is an all around athlete excelling in basketball, track and baseball.

## Fifth Avenue's Fashions Come to Glades

Left: Mrs. J. E. Williams, calling on educational and professional background have converted a store building on Avenue A into a "traditional ladies shoppe" with a "country casual look."

The country casual look begins on the outside with white brick red shutters and black trim. The inside color scheme follows the same trend with colored burlap wall covering, wagon wheels, horsebush, nail kegs and travel posters among which hour-glass mannequins are casually placed.

At 5 a.m. he's out to attract the 80 percent of the buying public which is the younger set. His idea is that his latest fashions attractively displayed and CASUALLY observed while enjoying coffee and coffee to the tune of soft music will sell themselves without, what he calls "high-pressure" tactics.

"Through association with a buying office in New York City, we are informed of the latest fashions as soon as they are ready for the market, and are able to bring them to the Glades fast."

Avenue A of Belle Glade will offer to Glades ladies and misses late styles that are anticipated in the larger shopping centers.

The Kihns plan to have a formal opening sometime in early October.

## Congressman Rogers Leary Of CIA

Congressman Paul Rogers (D-Fia) in a speech before the House of Representatives today called again for the establishment of a Joint Congressional Committee to serve as a "Watch dog" over the activities of the CIA and the other intelligence and intelligence agencies of the United States government.

Rogers said, "Information from the news media today said that Vietnamese special forces troops who attacked Saigon's Buddhist pagoda on August 21 are still being paid secretly by the CIA which trained them for other purposes. The sources indicated that most of the CIA staff men in Saigon left a meeting last Monday with the impression that the payments would be cut off, but at a meeting on last Tuesday, the CIA staff was informed, apparently on orders from Washington, that the CIA was doing business as usual."

The Florida Congressman continued, "This is simply an

other indication of the need for a Joint Congressional Committee to investigate the CIA and the intelligence agencies including the CIA. Legislation has been introduced by me and several other members of the House and Senate that would create this "Watchdog Committee," and if this committee is established, it will serve as an important check on the activities of intelligence community in general and the CIA in particular."

Congressman Rogers has been outspoken leader in the fight to establish a Joint Committee on Foreign Information and Intelligence and introduced legislation in January that if adopted would provide for close observation of the CIA and other information and intelligence agencies.

## Pedodontist Rudd To Visit Glades For Office Hours

A diplomate of the American Board of Pedodontics, specializing in pedodontics for children is announcing weekly office hours with Dr. Victor Mulberg. "Patients in the Glades," says Dr. Rudd, "find it time consuming, and an interruption to children's schooling, to make frequent trips to the coast."

"By arrangement with Dr. Mulberg, I believe weekly visits to the Glades will be time saving to patients and enable me to render better service."

Dr. Rudd has many years of experience following his DDS from Northwestern University and his BA from Augsburg College of Minneapolis.

## Lake League

In first place Belle Glade Herald, second place U. S. Sugar Corp., third W. Grant. High team game 889 and high team set 2433 won by Prosty High individual games and sets were won by J. Williams, 244, 547; Jerry Parsons 226 game and Jerry Gummere, 200.

## Jimmy Williams Named Chairman Athletic Assoc.

J. E. (Jimmy) Williams was elected as Chairman and Lee Berryhill as Vice-Chairman with Othar Crawford, as Secretary of the Belle Glade Athletic Association at its first meeting Tuesday night.

Clarence Kidder announced that an athletic field will be available for the athletic department through the courtesy of Everglades Motor Co. and Jive clubs.

Principal Morris advised that 75 additional seats are provided in the bleachers.

## Friedrich-Thomas As ASC Co. Member FCD Board Endorses

The farmers and ranchers elected to the ASC County committee, which will take office on October 1 and serve for a one-year period through September 10, 1964 are: A. R. Harrington, Basil Point, Chairman; E. E. Cooper, Boynton Beach, Vice Chairman; C. A. Thomas, Lake Harbor, Regular Member; Joe Friedrich, Belle Glade, First Alternate Member; E. F. Froelich, West Palm Beach, second Alternate member.

The ASC County Committee members were elected at the ASC County Convention, which was held on September 11, 1963 in Belle Glade. The recently elected ASC County Committee members acted as delegates to the county convention for the purpose of electing the ASC County Committee. The ASC County Committee is responsible for administering the Federal farm programs at the county level. The ASC County Committee is responsible for administering the Agricultural Conservation Program, Sugar Program, Livestock Feed Program, Feed Grain Program, Rice Program and Commodity Loan Program. M. U. Mounts, County Agricultural Agent is an ex-officio member of the ASC County committee and advises the committee in carrying out these assigned responsibilities.

## Let The Yankees Have The Commish Phone And Grocery Bills Aint Much!

The Florida Vegetable Brokers Association, made up of members from Pompano Beach, Deltona, Clewiston and Belle Glade announced this week that it has been advised by the "United Fresh" Produce Exchange and Florida Sweet Corn Corp. Exchange that shipping point brokers will not be eligible to receive brokerage for selling sweet corn and celery during the 1963-64 season.

In the past, all brokers, at both shipping point and receiving point, have collected brokerage for sales of sweet corn and celery. Under the present plan, receiving point brokers throughout the United States and Canada will continue to be paid brokerage for sales made while the shipping point broker will not.

Due to this change, many

## Rams Undefeated In Conference Play

The upset bug didn't wait a single week to strike in the Suncoast football season as the Rams got its 14th football season underway last week with a 20-0 victory over the Panthers in the stage for an early undefeated leader after next week end.

Both Luke Worth and P. Blair Dan McCarty bundled their slightly favored opponents in the campaign-opening action last week and now face each other at Ft. Pierce Friday night in the feature of this week's five-game card. Secretair, only other league game victor in the series, is idle this week. So the Ft. Pierce game winner will be sole occupant of first place, and if they should tie Secretair will be ahead.

Three other conference contests Friday included pennant-favored Forest Hill invading defending champ Belle Glade at Palm Beach as both seek a rebound from losing starts; at Vero Beach, visiting Panthers after both escaped defeat in their previous. Stuart will initiate its season with a trip to Vero Beach to meet the Panthers in a long-time rival Okeechobee which lost its opening Saturday to Jupiter.

Forest Hill made only one serious threat to the Ft. Pierce goal line as the Bag and Tackles of the Rams, and Clyde Russell tie touchdowns for a 14-0 success on the Falcons' gridiron Saturday. Simultaneously, Luke Worth spotted guest Palm Beach its first Suncoast touchdown in the opening period, then rallied to lead the Rams to a 20-0 victory. Harold Wise and Ron Massey doing the scoring to record a 21-13 success. Art Anderson booted three straight Trojan extra points.

Billed as evenly matched Belle Glade and Vero Beach were just that as defenses met field spluttering attacks and the Rams won 20-0. The Panthers were just that as defenses met field spluttering attacks and the Rams won 20-0. The Panthers were just that as defenses met field spluttering attacks and the Rams won 20-0.

## Don't Fight Cops Dont Run from Cops Run Low If You Run

Samuel Patterson, a 23-year-old visitor from Belle Glade at Bill's Paradise Bar in Pahokee, Saturday night reportedly got to arguing enough for two policemen Edward Gray and Sam Gray to interview him and to find on him an illegal knife.

Officer Gray wanted Samuel to accompany him to Pahokee's jail, but Samuel still wanted to argue, and the two policemen objected to being taken away from the "joy center."

Officer Gray wanted Samuel to accompany him to Pahokee's jail, but Samuel still wanted to argue, and the two policemen objected to being taken away from the "joy center."

## Jim Paul Crews Home Damaged

Extensive smoke damage to the home of Mr. and Mrs. Jim Paul Crews, 305 SE Third St., resulted from a fire that started in the kitchen last Sunday afternoon.

Fire Chief Cecil Bair reported the fire Department was called at 4:17 that afternoon when Mrs. Crews, returning to the home after a 45 minute absence, opened the door to find the room filled with smoke. Neighbors reportedly had noticed the smoke just prior to Mrs. Crews' return.

Cause of the fire and estimated damage was not disclosed prior to Wednesday noon.

## Army Engineers To Stage Fallout Monitoring Course At Clewiston

Twenty-four engineers with the U. S. Army Corps of Engineers will undergo extensive nuclear fallout training at the Clewiston office of the Army Engineers for four days starting Monday, Sept. 23.

A. R. Broadford, Area Engineer at the Clewiston office will host the program, and Major Leon Berryberry and Hon. dry County Civil Defense Director Kenneth A. Walker are scheduled to participate. The program will get underway at 8:30 a.m. Sept. 23 in the Clewiston office of the Corps of Engineers.

## Dr. John R. Earman PB County Native To Practice Here

A native born citizen of Palm Beach County, whose grandfather was the first Mayor of West Palm Beach, Dr. John R. Earman, is announcing the opening of offices with Dr. Mulberg, generalizing in orthodontia.

Dr. Earman has his DDS and MSD from Northwestern University, with pre-dental credits from the University of Florida.

As a member of dental and orthodontic groups, national, state and local, Dr. Earman brings to the Glades a professional preparation which will afford many mothers the relief of frequent trips to the coast.

## Gladiators League

Coastal Motors in first place with 94 points, Wallis Pharmacy, tied for second with Oyster Cattle Hauling with 8 points, Kirkman Co., third with 6 one-half pts. High individual games were won by Dot Graber with 225, 578; Mary Edens 197, 450; Betty Campbell 189 game, Lola Richmond 172. High team game and set were won by Wallis Pharmacy with 187, 2239; Coastal Motors was second with 743, 2056.

Lt. Col. Doug Wooten To Service School  
Lt. Col. Wm. A. (Doug) Wooten, MSC-USAR has been ordered to Ft. San Houston for a thirteen day refresher course for field grade officers.  
There was one vacancy from the Fourth Army Corps area for this assignment and Doug's application was accepted.  
The school is for Army Medical Service reserve officers.

## Heart Assn. Sponsors First Nursing Seminar At Belle Glade Tonight

In answer to a request from the cardiologists and nurses in the Palm Beach-Martin County area, the Heart Association of Palm Beach and Martin Counties, has planned a series of seminars on "Nursing care of the cardiac patient during the acute stage of illness."

The seminars, lasting from 3 to 4 hours, will be conducted by registered nurses and is geared to the bedside nurse responsible for patient care. It will include observations, nursing techniques and other information essential for quality nursing care.

The schedule of the seminars will be as follows: SEPTEMBER 26 - BELLE GLADE, Glades Office Building from 7 to 10 p. m.; October 8 - West Palm Beach, Health Department Auditorium from 7 to 10 p. m.; October 22 - West Palm Beach, St. Mary's Hospital, Saunders' Hall from 1 to 4 p. m.; November 5 - West Palm Beach, Good Samaritan Hospital Auditorium from 9 a. m. until 12 noon; November 13 - Boynton, Bethesda Hospital Auditorium from 7 to 10 p. m.; December 3 - Jupiter, St. Haven Auditorium from 7 to 10 p. m.

Registered nurses who will be instructing are: Mrs. Dorothy Barton, Mrs. Mary Murphy, Mrs. Margaret Heip, Mrs. Marjorie Yelverton, Miss Betty Harris, Mrs. Martha Munson, Mrs. Beatrice Johnston, Miss Marjorie Brozon and Mrs. Hope Stokes. Mrs. Hope Stokes, Chairman of the Seminars, received her Bachelor of Science Degree at Teachers College, Columbia University. She trained at Roosevelt Hospital in New York City. She has taken several post-graduate courses in nursing education, at Columbia University.

Mrs. Stokes started at Good Samaritan Hospital 10 years ago

as a nursing instructor and has been Director of Nursing Education for the past 4 years. Miss Marion Brozon, Chairman, has been with the Visiting Nurses Association since 1940. She received her Bachelor of Science Degree at Catholic University in Washington, D. C.

In 1959 she was sent, by the local Heart Association Chapter, to Catholic University to attend a special Workshop on Cardiovascular Diseases.

In 1960, Miss Brozon was awarded a 1 year scholarship by the Heart Association, to Catholic University, School of Public Health, for further specialized training.

The Seminars will present an opportunity for the visiting nurses, both active and inactive, to brush up on this special phase of nursing care. The scheduled times and locations were planned for the convenience of all those wishing to attend.

## Garden Club Workshop Begins At 10:30 A. M.

This morning at 10:30 a. m., the Belle Glade Garden Club will hold a workshop at the Municipal Park Shelter. The workshop will be on dried material for corsages and home floral arrangements.

Interested persons may come and bring a sandwich for lunch, as the workshop will continue to 2:30 p. m.

## Grand Time In Jamaica

Report The McAllisters

Mr. and Mrs. L. F. (Mac) McAllister had a wonderful time on their trip to Jamaica awarded by Ford Motor Co. recently, landing in Montego Bay, they were met by the Calypso Band and representatives of the travel service and were taken to Aravak Hotel in Ocho Rios.

They enjoyed sightseeing tours, swimming and deep sea fishing, and especially the lunch at the Kingston Sheraton in Kingston and dinner at the Tower Isle.

## Double Ring Ceremony Unites Sallie Collier, Calvin Watson

In a double ring ceremony at First Baptist Church, Belle Glade, Saturday at 4:30 p. m., Miss Sallie Collier became the bride of Calvin Watson, son of Mr. and Mrs. J. D. Watson of Pahokee.

The bride is the daughter of Mr. and Mrs. Barney Collier, 256 S. E. 1st St., Belle Glade. The bridegroom is the son of Mr. and Mrs. J. D. Watson of Pahokee.

Rev. Luther A. Key performed the ceremony before an altar decorated with baskets of white gladioli and pompons, flanked by palms and candelabras. Mrs. Leo James, sister-in-law of the bride, was organist and Mr. James, brother of the bride, sang "O Perfect Love." "Where ever He Leads We'll Go" and "Wedding Prayer."

Given in marriage by her father, the bride wore a traditional style white wedding gown of lace over satin, fashioned with long sleeves coming to a point at the wrist, and tiny buttons down the back. The train fell into a short train. Her finger tip veil of illusion was attached to a crown of seed pearls and she carried a cascade of white carnations, with a white orchid forming the center.

Miss Rachel Collier sister of the bride was maid of honor in a street length dress of pink peau de soie, featuring a scalloped neckline and sleeves. She wore a matching pillbox with veil and her flowers was a nosegay of pink carnations.

Lois Sasser Honored At Surprise Party

A complete surprise awaited Mrs. Lois Sasser when she walked into the Cottage Grill recently. Bowling friends entertained in honor of her birthday at a surprise party.

She was showered with lovely gifts and Gerry Robinson presented her with a lovely

Coffee, mints and nuts were served with a traditional birthday cake frosted in white with pink roses, baked by Evie Dunlap.

Guests attending were Lola Richmond, Teri Dell, Mary Love, Gerry Robinson, Patsy Hawkins, Aritha Kene, Nancy Parsley, Ezzie, Bruce, Virginia Walker, Jerry Ashley. Those present gifts unable to attend were Corinne Pittsworth, Ina McWhorter, Mrs. W. B. Hobbs.

Mrs. Watson graduated in June from Belle Glade High School, where she was active in F. H. A. Library Club and Beta Club. Mr. Watson is a graduate of Pahokee High School and is Airman 2c in the Air Force.

## Personal Notes

Mrs. Lonas Amerine had surgery on Sept. 16 and again this past Monday and both were successful. She is a patient at Jackson Memorial Hospital, Miami.

Mr. and Mrs. Santos Villa are residing at 854 S. 30th St. Mr. Villa is the general manager for Talisman Sugar Co.

Mrs. Clara Eaton of Bradenton arrived here Sunday for a week's visit with her son-in-law and daughter, Mr. and Mrs. George Young. She was accompanied by her son, Bennett Eaton who was an overnight guest returning to Bradenton on Monday.

Chappy Young, son of Mr. and Mrs. George Young is enrolled in his sophomore year at Battle Ground Academy, Franklin, Tenn.

Mrs. Joanne Cook and daughters, Nancy and Kathy of West Palm Beach were weekend guests of her mother, Mrs. Kathleen Livingston and also the girls grandmother, Mrs. Rosa V. Cook.

Mr. and Mrs. Clay Peters are residing at 680 S. E. 5th St., recently moving here from Green Cove Springs, Mrs. Peters is employed as a Palm Beach County nurse at the Health Unit here and Mr. Peters was transferred to the Glade Correctional Institution as classification supervisor.

Mr. and Mrs. E. M. Van Landingham and son Gary, have returned from their summer home on Sugar Loaf Mt., where they spent part of the summer. Their son, Bill Van Landingham who completed his service in the U. S. Navy, sailed there with them before he enrolled at Tennessee Tech, Cookeville, Tenn. for the fall semester. He is taking engineering.

Recent house guests of Mr. and Mrs. Hubert Anderson were her sister and husband, Mr. and Mrs. Tony Stetch and friends, Mr. and Mrs. Wobal all of Sydney, Nova Scotia, Canada. Mr. and Mrs. Stetch enjoyed a meeting for the first time with new friends and Misses Glenda and Paula, also getting reacquainted with six year old Chuck, who they had seen four years ago. The visitors enjoyed sightseeing in the Glades, Palm Beach and Dade County and fishing in Lake Okechobee. They planned to stop over to visit Mr. Stetch's sister in Mobile, Ala., and spend a few days in New York City before returning home.

Weekend house guests of Mr. and Mrs. Lee Berryhill were Mr. and Mrs. James Murphy and Jody of Delray Beach. A dinner party was enjoyed Saturday night with other guests, Mr. and Mrs. Garlon Berryhill also present.

Mr. Bill Jeffries, who was a patient at Belle Glade Memorial Hospital for a week, came back on the job at South Florida Conservancy Office Tuesday for a while, but is still recuperating.

Miss Jo Margaret Parson arrived Tuesday for a visit with her parents, Mr. and Mrs. Hap Parson. Miss Parson is a stewardess with Transworld Airlines, based at Kansas City, Mo., and flew to Miami, where she was met by her father.

Friends of Jack Little will be glad to know he is recuperating at home after serious surgery in St. Mary's Hospital.

THANK YOU

"Thank You" seems all too inadequate to express our feelings to Belle Glade Fire Department personnel and Florida Power and Light workers and others who helped for their efforts in our behalf last Sunday.

The prompt answer to our call, the diligent efforts in protecting our home and personal property from damage to the greatest extent possible, was sincerely appreciated. It is gratifying to live in a community such as Belle Glade where people truly care.

## These Beauties Receive Baton Instruction, Enter Contests

SEPT. 26, 1963 THE HERALD, Belle Glade, Florida Page 3

## Mrs. Herring's Recipe

### 1 - More Beef From Florida

With most youngsters getting school lunches these days it behooves Mom to serve a real "Back-to-Home" treat for Saturday lunch. Pour off all drippings. Best eggs and add salt, pepper, onion and pimiento. Add mixture to meat and cook slowly over low heat, stirring occasionally, until eggs are firm. Serve with toast. Serves four to six.

One of the blessings of this "lunch," said Mrs. Herring, "is its economy." A pound of hamburger really goes a long way to provide the youngsters at home with a hot lunch.

This recipe for economical Burger Sauté is light enough for lunch, yet will provide active children with a hot lunch that fills "em up and at the same time S T R E T C H E S your grocery budget.

**Burger Sauté**

1 pound ground beef

2 tablespoons shortening

eggs

1/2 teaspoon salt

14 teaspoon pepper

1/4 chopped onion (or onion

Cynthia Cunningham, 2nd place, Beg. Solo 8 yrs; Cherry Bridges, 3rd place, Beg. Solo 17-20 years; Jo Vickers, 4th place, Beg. Solo 15 yrs; Cherry Bridges, 1st place-Beg. Strut, 17-20 yrs.

The 12 young ladies pictured above recently attended the Central Florida Baton Twirling Camp held at Howie's Academy, Howie in the Hills, Florida. All the girls take baton lessons locally from either Mrs. Rheta Cunningham or Miss Pat Anderson. Pat instructed and judged at the camp. Since Mrs. Cunningham was unable to attend the entire camp program Pat Lane acted as dorm counselor for 8 of the Belle Glade girls and was a student-teacher working with younger beginners.

During the camp week they received instruction in one and two batons, fancy strutting, corps routines, dance-twirl, fire baton, modeling and charm classes. They competed in a beauty contest, fire baton contest and open national baton contest.

Most popular event with the girls was a Hootenanny on the sand beach of Lake Harris and a dance on the patio with music for both provided by a group of teenage professionals "THE COACHMEN."

Frances Collins was selected as a member of the Court for the Central Florida Majorette and received a miniature trophy.

At the Central Florida Open National contest trophies were awarded as follows:

Monday, Oct. 7; Wednesday, Oct. 9; Friday, Oct. 11; Tuesday, Oct. 15 and Thursday, Oct. 19.

Announcement was made, there will be separate groups for junior age girls. These girls are in the 4th, 5th and 6th grades. This troop will be meeting Tuesday, Wednesday and Thursday.

The Tuesday group will meet at Jameson Hall at 3 p. m.; Wednesday and Thursday group at 4 p. m. at the Girl Scout Hut. The Cadet Girl Scout will meet on Thursday.

Mrs. William J. Miller, is attending the Girl Scout Convention in Miami Beach this week. It was reported the Girl Scout and drive for the Custard Apple Neighborhood, reached a total of 1,405.00.

A Happy New Year:

This is the way we feel about the start of a new gardening season. Our plants are ready for your home and garden. You will find a large selection of annual flowering plants to brighten your garden plots, and even a few peppers and tomatoes for practical gardening.

Our new crop of pot mums and gladiolus will be in bloom soon. These pot flowers make excellent gifts.

There will be roses and other cut flowers through the season. We will also take your orders for rose bushes.

The nursery is full of many kinds of foliage plants for the home, patio, and yard. We also carry shrubs and some trees.

The necessary fertilizers and garden chemicals are in stock to keep your garden healthy.

If you need planters and floral containers — we have them.

The First Baptist Church of South Bay elected their Sunday School workers at this Sunday's annual business Conference on Wednesday evening.

Mrs. Helen McKinley was elected Supt. of the Sunday School for the coming year. She will have under her command as workers the following: Nursery: Birth - 1 yr. Mrs. Jay Warren; 2 yr. Mrs. J. P. Partridge; 3 yr. Supt. Mrs. Sally Foster; Workers: Mrs. Sally Foster; Beginners Supt. Mrs. Ethel Jackson; Assoc. Mrs. Frances Hall; Secretary, Mrs. Mary Waters; Pianist, Miss Marjorie Sullivan; 4 yr. Teacher, Mrs. Cora Moore; 3 yr. Teacher, Mrs. Leo Oyler.

Primary Dept. - Supt. Mrs. Sandra Williams; Assoc. Mrs. Louis Kelso; Secretary, Mrs. Marvin Burkett; Pianist, Miss Brenda Kelley; 6 yr. Teacher, Mrs. Louis Kelso; 5 yr. Teacher, Mrs. Imogene Barnes; 7 yr. Teacher, Mrs. Reba Hodges; 8

## Vicar Challenges Guild Members In Their Christian Work & Plans

St. Elizabeth's Guild of St. John the Apostle Episcopal Church met Wednesday, September 18th enjoyed a Pot Luck supper at 7 p. m. in the Church building with Mrs. R. E. Shoemaker and Mrs. M. E. Ludlow as hostesses.

Following the supper of good food and fellowship, Mrs. Barnes Smith gave the devotion and was followed by minutes of the last meeting given by Mrs. Richard Poston, secretary.

Mrs. Shoemaker, program chairman then introduced Fr. Loring, Vicar of the Church who presented the ladies with a most challenging program concerning the work the Guild does in the Program of the Church. He asked the ladies to consider three things in their future plans and work these being: International, National and Diocesan and how the work of the Guild can be made more effective. Fr. Loring also pointed out the fact that we cannot share the Christian Gospel with anyone until we have it ourselves. The fourfold purpose to follow in attaining this knowledge is: to learn, to teach, to lead and to witness.

Mrs. E. M. Lively, president of the Guild, conducted the business meeting which followed the program. Reports were given by the chairman of various projects and Mrs. Lively announced that the Annual Turkey Dinner and Christmas Bazaar sponsored by the Guild would be held on Thursday, November 21st, at the Church from 5 till 8 p. m. Mrs. M. E. Ludlow has been named Chairman of the dinner with Mrs. W. D. Matthews as Assistant and Mrs. Sara Smith as Advisor. Eddie Jones has been named Chairman of the Christmas Bazaar, reporting that ladies of the Guild are already busy making the many lovely hand made gifts to be displayed and sold at the Bazaar for the Christmas season.

Fr. Loring announced that the Adult Education Program would resume its bi-monthly meetings on October 8th, meeting the second and fourth Wednesday evenings at 8 p. m.

Guild ladies volunteering their services to prepare breakfast for the Pre-Care meeting held at the Episcopal Church the following morning, included Mrs. W. D. Matthews, Mrs. W. D. Matthews as Assistant and Mrs. Sara Smith as Advisor.

The next meeting will be held on October 16th at 8 p. m. at the home of Mrs. James Winchester.

## Religion Classes Catholic Parishes

Reassigned to assist the pastors in the catechetical program at St. Philip Benizi and St. Margaret's Parishes are Mother Cecilia and Sister Christine. Sister Loretto will replace Sister Mary Bernadette in the program.

Religion classes are held as follows:

Monday - after school for grades five through eight.

Thursday - for Grades one through four.

Wednesday Evening - from 7 to 8, the High School Discussion Club meets.

Mrs. Bruce Brown and Mrs. Alvarez Sanchez will conduct the religion classes for the Elementary grades.

Mrs. Carl Lockmiller is in charge of transportation. Anyone who needs transportation from school to the parish will please call WY 6-2759.

## Help Keep Belle Glade Clean

## Why Plan For Only The First 100 Years?

Those who plan for the future are wise. The planning includes training, education, the building of a family and a home and investments in the necessities of life. A good life cannot be attained without careful planning.

But why plan for only the first 100 years? Most of us will depart this life before that time. Then there is judgment and an eternal life.

What plans have we made for eternal life? What treasures have we laid up in heaven? Whose directions have we followed?

The Bible is God's guide book from earth to heaven. Let us be wise enough to make long range plans for this life and the eternal life to come. Let us follow the directions of God's guide book.

Why not investigate and include in your plans the Belle Glade Church of Christ?

Radio Sermon Saturday - 10:45 Some things you should know

## Churches of Christ Scientist

"Reality" will be the subject of the Bible Lesson this Sunday at First Church of Christ Scientist.

Prayer from Psalms (119:18) will be included in the Bible readings: "Open thou mine eyes that I may behold wondrous things out of thy law."

These lines from the Christian Science textbook, "Science and Health, with Key to the Scriptures" by Mary Baker Eddy will also be read: "If the disciple is advancing spiritually, he is striving to be a Christian. He constantly turns away from material sense, and looks towards the imperishable things of Spirit" (p. 21).

Adult Dept. - Supt. Mr. Jay Smith; Assoc. Mrs. R. A. Hall; Pianist, Mrs. Claudine Warren; Sec. Mr. W. C. Allen; 4 yr. Class, Mr. W. G. Bowen; 5 yr. Class, Mrs. R. A. Hall; 6 yr. Class, Mrs. W. C. ## Sermon Topics

Rejoice evermore. Pray without ceasing. In every thing give thanks. (1 Thessalonians 5:16-18).

One cold December day, a little curly-headed boy grumbled to his older brother: "Father told us to ask him for whatever we wanted. I asked him yesterday for a kite, and he has not got it for me."

"Yes, and I asked him for a gold watch, and he has never given me one!" said the older brother. "I don't see the good of asking him for things."

One day in May, the father gave a beautiful kite to his little boy. Nine years later he called the other boy and said, "I suppose you have forgotten that you asked for a gold watch when you were a little boy?"

"Yes," answered the tall youth.

"But I haven't," said the father. "Here is the watch; value it and take care of it."

Although God seems to be indifferent, we know He is working out His purposes. We know when we want the answer, but God knows when it is best for us to have it. His delays are due to His perfect timing. At the right time God answers all Spirit-inspired requests.

PRAYER: Our Father, we thank Thee for all the benefits we receive from Thee. Thou knowest the best time for us to receive them. Grant us patience that we may wait Thy time, in Christ's name. Amen.

THOUGHT FOR THE DAY

God's delays are not denials.

Gordon Chivers (England)

## Children To Receive Bibles Promotion Day

Sunday will mark promotion in Sunday School at Community Methodist Church. At the 11 a. m. services, Rev. W. R. Boland, pastor will present all children being promoted to the Junior Department with Bible imprinted with their names.

Rev. Boland will also install Sunday School teachers.

Pride plays Thanksgiving, but a humble mind is the soil out of which thankfulness grows.

—Henry Ward Beecher

The all-new 1964 Rambler American series includes two hardtop models - the 440 and the 440-H - which are longer and lower than 1963 models and feature fastback rear pillars. A 138-horsepower six-cylinder engine is standard on roomy six-passenger room. They go on show-room display October 3 at Rambler dealerships.

American Motors today announced its newest version of the original compact car that touched off major changes in the automobile industry.

The 1964 Rambler American is wholly transformed in appearance, with its first complete body change since the series was introduced in 1950. Its overall length has been increased from 173 to 177 inches with all of the added inches "going into greater passenger comfort and more usable space."

## Adventists Welcome New District Supt.

Mac J. Jackson

Mac J. Jackson, the new pastor of the Seventh-Day Adventist Church in Belle Glade, replacing Donald Wilkinson, who was transferred to Homestead. Pastor Jackson is also the superintendent in the Glades District.

Before coming here he was assistant pastor at First Church in Tampa. He has spent several years in Missionary work in Hawaii and Alaska. He recently returned from seven months extended tour of the Holy Land and Europe, covering 35 countries and followed everywhere the Apostle Paul went, camping in his car and roughing it, in frequently traveled parts. His work included lecturing for adventist churches and colleges and research on social subjects.

Pastor Jackson is making his headquarters in Belle Glade. Mrs. Jackson, who is in the Fine Arts Department of the senior High School at Daytona Beach, will be joining her husband on vacations and some weekends.

Read 1 Thessalonians 5:16-25.

Rejoice evermore. Pray without ceasing. In every thing give thanks. (1 Thessalonians 5:16-18).

## 1964 Rambler Americans Unveiled

The all-new 1964 Rambler American series includes two hardtop models - the 440 and the 440-H - which are longer and lower than 1963 models and feature fastback rear pillars. A 138-horsepower six-cylinder engine is standard on roomy six-passenger room. They go on show-room display October 3 at Rambler dealerships.

American Motors today announced its newest version of the original compact car that touched off major changes in the automobile industry.

The 1964 Rambler American is wholly transformed in appearance, with its first complete body change since the series was introduced in 1950. Its overall length has been increased from 173 to 177 inches with all of the added inches "going into greater passenger comfort and more usable space."

single-unit construction; curved glass side windows; a seven-fold increase in galvanized metal for greater rust resistance; new front suspension; 33,000 mile or three year lubrication intervals; new Power-Guard "24" battery with inter-connection for quicker starting and longer life, and many other features to improve convenience, durability and comfort.

The 1964 American goes on sale Thursday, October 3.

## Presbyterian Church Activities

The regular Board Meeting of The Women of the Church was held Tuesday, Sept. 24th, at the home of Mrs. C. D. McClure. Our new president, Mrs. Urban Felius, presided. Mrs. Irvin Zumpf gave an inspiring devotion on the theme: "Unity of the Spirit in a Bond of Peace." The Treasurer, Annus Report showed that all of our financial commitments had been met for the past year. A "Prayer Chain" was organized. Reports from our new WOC Officers, who attended Officer's Training Classes in Memorial Church, Sept. 20th, were most interesting and informative. Those attending from Everglades Church were Mrs. C. E. Crichfield, Mrs. Dick Murray, Mrs. Clara Stinson, Mrs. Irvin Zumpf, Mrs. David Motes, Mrs. T. W. Caselman, Mrs. C. D. McClure, Mrs. Urban Felius.

The October Circle Meetings will be held in the following homes, Tuesday, Oct. 1st.

No. 1 - Mrs. G. W. Crewes.

No. 2 - Mrs. Robert Roadman.

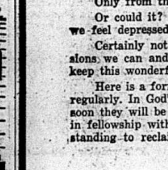

No. 3 - Mrs. Hagan Powell.

No. 4 - Mrs. C. L. Stuart.

Sunday, Sept. 29th will be celebrated in The Everglades Church as Rally Day and Homecoming Day - Special programs have been planned for all day services and a covered dish fellowship dinner will be served on the grounds - so all are urged and invited to come. Being the whole family and a covered dish. There will be worship, fun, food and fellowship.

Only from the carefree heart of a child could come such joy. Or could it? Is it necessary to lose childhood's happy laughter? Must we feel depressed and burdened with the yoke of adult cares? Certainly not! The God-given gifts of joy and happiness are possessions we can and must retain throughout all our years. But how can we keep this wonderful spirit?

Here is a formula that is very simple: attend the church of your choice regularly. In God's house you will learn to accept life's burdens - and soon they will be ever so much lighter. His Peace will fill your heart. Here, in fellowship with others, you will receive the needed peace and understanding to reclaim and sustain the merry heart.

THE CHURCH FOR ALL - ALL FOR THE CHURCH

The Church is the greatest force for good in the world. It is the only place where we can find the love of God and the love of our fellow men. It is the only place where we can find the peace and joy that only God can give. It is the only place where we can find the strength and courage to face the challenges of life. It is the only place where we can find the hope and faith that only God can give.

For the sake of the Church, let us all strive to be better people. Let us all strive to be more loving, more forgiving, more understanding. Let us all strive to be more like Jesus. Let us all strive to be more like the Church.

Let us all strive to be more like the Church.

# Congratulations on a "Job Well Done" — Best Wishes for Continued Growth

## Major Portion Of Long Range Planning Adds Space, Comfort And Convenience

Folks nowadays use automobiles to go to church — so, the First Baptist Church has acquired land to the west of its present site to relieve off-street parking, through a gift.

Need for more ground space is anticipated for future educational activities — so the property on the east has been acquired.

Immediate use of the old Pastorium was needed and it's arrangement was adapted in earlier days — so a modern home was purchased for the use of the pastor.

Comfort of the audience and inducement for regular attendance suggested modern air conditioning — so that modern efficient control of temperature and moisture was adopted as an integral part of improvement and additions.

Architectural consideration developed rearrangement of auditorium, Baptistry and choir space, to secure more seating and comfort.

Architectural treatment of existing buildings with available items brought the new and the old into a perspective attractive to the eye and salutary to the esthetic senses.

The Plans and Survey committee composed of J. W. Mosley, T. E. Burgess, Mrs. Eunice Chamblee, George Crews, W. T. Forsee, F. L. Harris and Robert Mathews found their ideas receptive to the Finance and Building committees, which followed.

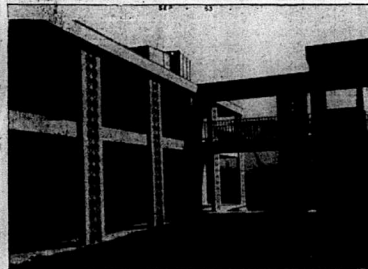

The Finance Committee reported to the congregation that \$198,000 will have been spent on the acquisition, improvement and building.

The Plant of the First Baptist Church has been expanded east and west on the ground. It has grown taller; the old buildings have been renovated rearranged and enlarged; architectural treatment has the appreciation of many.

Following the general architectural design of the existing building and utilizing precast grille blocks, ceramic tile trim and steps, architect Chester Albert Cone provides a refreshing, functional entrance to the Sanctuary.

Covered walkways around an enclosed courtyard, with precast decorative concrete grille blocks provide a continuity of design and maximum freedom of passage to and from class rooms.

The Sunday School facilities have a capacity for 746.

## Comfort, Convenience, Beauty, Economy Guide Architect In Design And 'Specs'

Full utilization of the overall space in the auditorium suggested the building of the Baptistry of reinforced concrete on the exterior of the building, with rearrangement of choir space and consequent provision for seating a congregation of 428.

Utilizing existing door and window openings and by the use of ceramic tile trim, ornamental pre-cast concrete grille blocks, and quarry tile steps, a functional and attractive entrance to the Sanctuary resulted.

Ease of access to school rooms is provided by a covered walkways to rooms built around a courtyard, and Architect Cone used decorative grille blocks, as on the Sanctuary, to provide continuity of design.

The structural elements of the building are generally concrete from the rock — imbedded piling to the beam atop the second floor.

Interior ceilings are of mineral tile board with acoustical properties. Windows are generally awning type aluminum.

Floor coverings are of vinyl asbestos and tile; the roof is of asbestos shingles to conform to old buildings.

Finance Committee is W. E. Schlechter, J. K. Baker, Mrs. H. Chamblee, H. A. Craig, Christine Figueroa, Robt. Mathews, Mrs. J. W. Mosley and LeBron Williams.

Building Committee: S. M. McAllister, J. P. Collins, Leo Danilievit, W. T. Forsee, F. L. Harris, D. G. Herring, Mrs. Ralph Kirk, C. L. Markham and Mrs. Eddie Schoepel.

## Flowering Trees Program Presented To Garden Clubs

The Belle Glade Civic Center was the scene of a covered dish luncheon at noon last Thursday with the Belle Glade Garden Club as host. Members from area clubs attended.

This marked the first fall meeting and the business was dispersed with following the luncheon to devote the time to the program.

Mr. Kenneth Sharon of Boca Raton was guest speaker and showed color slides of beautiful flowering trees and told of the growth and care.

A large number of guests were present. Hostesses were Mrs. Ivan Van Horn, Mrs. Richard Hodges and Mrs. C. W. McDonald.

## Sorority Members Enjoy Luncheon

Mrs. Howard Hill entertained members of Beta Xi Chapter of Beta Sigma Phi Sorority at a luncheon at her home last Thursday.

Places were laid for guests Mrs. Carl Cone and Mrs. James Ball, former members and members Mrs. Davis Kiehligher, Mrs. William B. Rhodes, Mrs. Jim Dooley, Mrs. Sam Kahan, Mrs. Vera Jones, Mrs. Doug Lee, Mrs. Russell Miller, Mrs. Bob Davis, Mrs. John Grady, Mrs. R. A. Cameron and Mrs. William Miller.

The first meeting of the new year of Beta Xi Chapter was conducted at the home of Mrs. Jim Dooley with Mrs. Howard Hill president presiding. Nine members were present. Committees outlined plans for the future activities. Mrs. Davis Kiehligher was co-hostess.

## Awards Party Given Troop 281

Troop 281 held an awards party at the Belle Glade Park Shelter Saturday afternoon. The shelter was decorated with balloons and crepe paper by Debbie Hill in charge. Janice Ward and Gayle Luce were co-chairman in the balloon relay races.

## Lots Wanted

on fire fighting equipment and vehicles.

The airman attended Mullins (S. C.) High School. He is the son of Mrs. Roy F. Holmes of Pahokee.

Marine Private First Class

Tommy R. Conner, son of Mr. and Mrs. Eugene Conner of South Bay, Fla., serving with Marine Battalion Landing Team 1-6, in Second Marine Division unit in the Mediterranean, recently visited Cannes, France.

His week in Cannes included arranged trips to Paris, fishing tours in the French Alps and pilgrimages to the Shrine of Lourdes for Catholic personnel. The Landing Team's Mediterranean tour has included medical landing exercises, live fire operations, weapons training and small infantry tactics.

Like other U. S. forces abroad the unit had the added mission of furthering the President's

"People-to-People" program. A highlight of the Aug. 12 thru 19 visit to Porto Cervo, Sardinia, was the presentation of gifts, including sports equip-

ment to two orphanages. Five Marines were chosen from the Battalion's various units to deliver the articles to a village some 20 miles from the Marine's camp site.

Army 1st Lt. Henry L. Braddock, 25, son of Mr. and Mrs. Roscoe L. Braddock, Belle Glade, Fla., was assigned to the U. S. Military Assistance Advisory Group (MAAG) in Vietnam, Aug. 30.

MAAG, Vietnam, is an Army Navy-Marine-Air Force organization which advises the armed forces of the Republic of Vietnam on training, use of equipment and tactical operations. Lieutenant Braddock is a 1955 graduate of Darlington High School, Rome, Ga., and a 1959 graduate of Washington and Lee University, Lexington, Va.

Sp-4 Lennie Joe Hight and wife son returned to Belle Glade for a brief visit with family before reporting for duty at Ft. Rucker, Ala., for helicopter training. From there he will be assigned to duty in Ft. Carson, Colo., for the remainder of his enlistment. He has been in Darmstadt, Germany for the past three years.

Joe is the son of Thomas Hight of Belle Glade and of Mrs. Pauline Kahn of West Palm Beach.

Robert O. Flowers, fire control technician seaman, USN, son of Mr. Robert E. Flowers of Belle Glade, Fla., is serving aboard the nuclear-powered guided missile cruiser - Destroyer Flotilla Eight with the Sixth Fleet in the Mediterranean. Long Beach departed for the Mediterranean Aug. 8.

This modern ship carries the TALOS long-range surface-to-air guided missile and the TERRIER intermediate range surface-to-air missile. Two five inch conventional gun mounts and two triple torpedo tube clusters form the defense against surface targets.

Long Beach's antiaircraft defense (ASROC) engages submarines, meeting the defense needed against underwater at-

ack. The weapons systems and ship's maneuvers are coordinated by the computer-controlled Naval Tactical Data System which receives data from the latest Navy search radar systems.

Because of her nuclear power, LONG BEACH has an almost unlimited cruising range, permitting efficient and effective use of these advanced weapons systems and making a welcome addition to U. S. forces overseas.

Long Beach normally operates out of Norfolk, Va.

Air Force Airman Third Class Larry A. Hall, son of Mrs. Katherine C. Hall, Rockwell, Tenn., completed a 12-week equipment maintenance course at the Army Engineer Center, Fort Belvoir, Va., Sept. 6.

Airman Hall entered the Air Force in March, 1963 and completed basic training at Lackland Air Force Base, Tex.

The airman, son of Bill A. Hall, Rutledge Motel, Belle Glade, Fla., is a 1962 graduate of Everett High School in Maryville, Tenn.

Cadet Charles C. Wilson II of Belle Glade, Fla., pausing before the jet aircraft in which he completed his orientation flight as part of the Air Force Reserve Officer Training Corps (AFROTC) summer training camp here. Cadet Wilson, a member of the AFROTC unit at Howard University, Washington, D. C., recently completed four weeks of indoctrination in various phases of operations at this base. He is the son of Mrs. Juanita A. Wilson of 1233 S.W. Avenue "D" Belle Glade. The 19-year-old cadet will be eligible for appointment as an Air Force second lieutenant upon completion of AFROTC training and graduation from college.

## Expect great things from Chevrolet again-for '64

## Today...Jet-smooth Luxury '64 CHEVROLET

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth, luxury Chevrolet.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats

as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Bixcays have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just

luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flash-and-dry rocker panels, Delco-

tron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that's entirely up to you.

## Take your first look at the first CHEVELLE!

## CHEVELLE! by Chevrolet

New Chevrolet Malibu Super Sport Coupe—one of 11 models in three grand series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior of its Body by Fisher gives you a generous

supply of passenger and luggage room. The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp

V8 (optional at extra cost). Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (This good-looking Malibu Super Sport maybe?)

Recent dinner guests of Mr. and Mrs. William Masonic were Mr. and Mrs. Larry Elliott and son and Mr. Larry Hubbell of Lake Worth.

Rev. Herman Storey, chaplain at the Glades Correctional Institute was supply pastor at the First Baptist Church in South Bay in the absence of Rev. James Fenton who is vacationing with his family in Clearwater and touring points of interest in the area.

Mr. and Mrs. John Frank Dawson of Belle Glade visited Sunday with Mr. and Mrs. James Scovens and family.

Mr. and Mrs. Thurman McKinley went to West Palm Beach Sunday on business.

Mr. and Mrs. James Jackson and boys were weekend guests of Mr. and Mrs. R. M. Carter in Orlando.

Mrs. Sue Austin and Mrs. Mary Faye Walker spent a day shopping in West Palm Beach.

Miss Mary Jim Spire spent the weekend with Miss Sandy Winterrowd of Belle Glade and attended the football game in Vero Beach.

Cpl. Billy Jackson, stationed with the U. S. Marines in Beaufort, S. C., was at home for the weekend.

## Badcock Furniture Co. Sponsors

### Thursday Night Late League

First of all, the bowlers would like to thank Badcock Furniture Co. and Curtis Slade for sponsoring the Thursday night late league. We had some fine games and series shot this week as the second week of league.

Badcock Furniture Co. took 4 from A. Duval and Sons. The only other team to make a clean sweep was Everglades Federal Sav. & Loan over Echols Plumbing, Mullens Office Supply took 3 from Carithers Radio and T. V. (Clewiston) as did Anderson's Gulf Station over Richmond Plumbing. Geneva's Drive-In took 3 from Angel Brothers, Lindsey Lumber Co. and Doug's City Barbers split 2-2. Connell's Gulf Sta. won 2-1 and lost 1 and interest over Clewiston way.

We are very happy to have Carithers T. V. and Radio Service from Clewiston bowling with us this year among the 13 other teams in the league. My-Lumber Co. and Doug's City Barbers split 2-2. Connell's Gulf Sta. won 2-1 and lost 1 and interest over Clewiston way.

### Thursday Night Late League

#### Opens 1963-1964 Season

Thursday night at 9:00 Bowlers of the Late League got underway for the 1963-64 season. We have 14 teams this year and promise a lot of fine competition. In action this week Connell's Gulf Station won 4-0 over Everglades Federal, Angel Brothers won 3-1-2 over Ted Roman's Duting Serv., Richmond Plumbing won 3 and lost 1 against Geneva's Drive-In and Doug's City Barbers swept 3-0 from A. Duval and Sons. Badcock Furniture and Carithers Radio and T. V. (Clewiston) split 2-2 while Mullens Office Supply won 3 from Echols Plumbing. Lindsey Lumber and Anderson's Gulf rolled Monday night Sept. 16 in a make-up game with Andersons Gulf on Sept. 3-1.

Bill Graber, rolling for Mullens Office Supply set the pace with a 562 series and a 213 single game. Other 200 games bowled were John Thompson, 209 and Bill Hill, 201 bowling for Connell's Gulf Service - D. Kelly, Echols Plumbing rolled a 201 and E. Fisher of Badcock had a 203. Bill Carithers had a 208 for Carithers Radio and T. V. (Clewiston) Junior Meador of Doug's City Barbers had a 200 as did E. Duval of Duval and Sons. Lee Cranford had his first 200 in league play with a 204 bowling for Everglades Federal.

## A 6-foot Rattler

### On The Sand

Frank Miller, shown with the 6' 4" rattler gathered this one in around Sand Cut where he was preparing some land.

The snake measured more than 11 inches around the middle.

Frank has not reported finding this one's mate yet.

Let's hope that if the mate follows this one, someone will run over him with a Cat D-4.

Get to know the highways over which you may travel this summer, it's good insurance against a traffic accident.

## Pixie 4-H Welcomes

## Two New Members

The Pixie 4-H met Sept. 23 with all 12 members present. Donna Connell and Laura Acre were welcomed as new members. The membership for this group is now closed.

The girls were measured for their 4-H skirts and then the group discussed making Christmas gifts.

For refreshments delicious cup cakes and fruit punch were served in celebration of Tina White's birthday.

## Gator League

Badcock Furniture in first place with 9 pts. South Bay Trailer Park second with 8. Everglades Federal Savings & Loan third with 7 points. Badcock Furniture rolled 2nd high team game 726 and high team set 2105; Polar Bear rolled 3rd high game 719 and second high set 2063; South Bay Trailer Park rolled high with 651 game and 1933 set. High individual games and sets were as follows: Lola Sasser rolled 173 game and 467 set; Muriel Eggleston 462; Lola Richmond 448; Jennie Hendry 184, 433; Helen Slie 428; Frances Barnes, 428; Rose Goodbread 428; Gloria Miller 425; Jerri Ashley 411; Mona Pinegar 406.

## Rockette League

After three weeks of bowling in the winter leagues Sullivan's Pharmacy is in first place with 11 points, tied with J. V. Thomas and Sons with 11. Duds Farmerettes next with 7 and one-half points. Sullivan's Pharmacy rolled high team game 777 and second high team set 2157; J. V. Thomas and Sons third high team game 729 and high team set 2166; Keen Real Estate rolled second high team game 762 and third high set 2146. Winner in high individual sets and games were: Frances McLeod 181, 525; Lucy Cameron 197, 495; Lorie Fessenden 186, 484; Marie Mattie 178, 482.

## The '64s from Ford are here: The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE  
FOR A CHANGE!  
**FORD**  
Falcon-Fairlane-Ford-Torquator

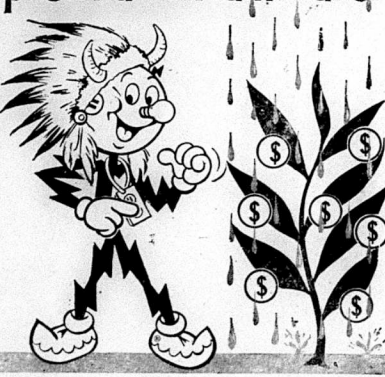

**1964 SUPER TORQUE FORD**  
Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension system allows wheels to lean backward as well as up and down to flatten bumps... Distinctive new rooflines.

**1964 FAIRLANE**  
Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

**1964 FALCON**  
Everything's changed except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plushest ride ever built into a compact car... 14 models—plus three extra-duty wagons.

## push-button rain-maker

When the weather is dry, an electrically pumped sprinkler system can be a lifesaver. It enables you to create your own rain during critical periods of growth... for better yield and profits.

All around the farm, Reddy Kilowatt is a handy helper. Milks cows, grinds feed, heats water, cleans and ventilates the barn, powers the electric tools, and performs endless other chores... quickly and cheaply.

There's no match for flameless electric... IT'S CHEAPER, TOO

## Class Of '64 Elects New Officers

New Senior Class officers take on big responsibilities with the largest Senior Class Belle Glade has ever had.

Ron Halbrook, newly elected president by popular majority vote promised to fulfill his duties to the best of his abilities. Ron attended Boys state this summer and was a member of the paper staff. He is also an active player of the Rams football team.

Bootsy Weathers took the title of Vice President even though he was out of school with his football injuries. He has held a class office before and shown himself to be worthy of the position.

Secretary is Kay Campbell. She is well liked by all her classmates and an active member of the senior class. Besides being Secretary of the Senior class, Kay is also beginning her senior year as President of the Pep Club.

The office of treasurer will be held by Danny Shiver. He is a popular senior whose classmates trust him to do the job well.

The Senior class created a new office for the recording of all senior activities. This office, historian, will be shared by Mickey McKee and John Sheen. They will keep class records and be in charge of class reunions to be held in the future.

Belle Glade High School is made of madras; madras shirt and skirts, madras dresses and belts, madras shorts and pocket books, and even madras notebooks.

Madras is no ordinary material; the tag on a madras parent reads "Genuine Madras Imported from India, Guaranteed to Bleed." The trained eye of the student, however, needs no label to spot the various plaid-type patterns in gay and numerous colors.

What fascination does this mad have for students — the complete difference and newness of the material, its appropriateness as a school fabric, or the curious way in which the colors run together and into the water when it is washed?

Even though Mothers complain about hand-washing the material, the students have not met with any opposition from the faculty or administration on the madras fad that struck last year. It is hoped that the next craze will "move in" as easily.

## From The Juniors

1. Bashful — Larry Bowen
2. Bubbly — Sandra Rhymes
3. Quiet — Steve Halbrook
4. Cautious — Janet Critchfield
5. Witty — Andy Fontaine
6. Sweet — Gwen Gove
7. Athletic — Don Wilkinson
8. Pretty — Janet Hotard
9. Friendly — Danny Lanier
10. Diminished — John Bamford
11. Flirt — Norrie Dalrymple
12. Intelligent — Lee Ann Berryhill

## What's In A Name?

If a list of the surnames of students at B. G. H. S. was compiled, a new comic trip could be edited!

For example the name Bacon reminds some of their favorite breakfast food. What about the name Fliesh? At first glance one immediately thinks of those irritating little bugs which infest so many animals. Then when the name Ingram appears one is reminded of... it is "Spartacus." The name Rhymes makes one feel poetic, "Roses are red, Violets are blue, I like peanut butter, can you skate?" On this list of names, this one shouldn't be omitted by any means. It is Shiver. Does it mean like cold, man? This next name must have come out with the age of chivalry, for it is none other than Knight. Wonder if they still hot dibone round table meetings? This next name just had to be invented, after all no name could possibly have been born with it. This name Ingram suggests that the father's first name was Hal and the first thing the mother saw was a brook. Sound reasonable?

Around school there are many names which denote foreign background. Some of these are Yudas, Schwegel, or Krue. There are some people who have sensible names. Names like Mikovsky, Keesee, Kunkel or Aleman. Surprisingly though, a name shouldn't bother anyone. After all, it's who bears the name that counts.

When a person becomes mature, he will be able to make his own decisions; he must be able to think for himself. Since it is advertised which makes it true, "men who think for themselves" smoke a certain brand; I certainly must take up the habit to become a "thinking man." Beacul, what a great, thinking man it takes to enslave himself to a habit that will multiply his chances of getting lung cancer by TEN! Behold, what a great thinker it takes to enslave himself to a habit that has the potential to shorten his normal life span by seven years or more! Truly, being able to think for oneself is a step toward adulthood.

Smoking another brand will separate us from the younger boys. As we mature, should not our thoughts and actions separate us from children? Then, let's waste no time, friends; we had better start, today, proving our maturity by sucking on this sweet little "stick of maturity" that contains only 49 deadly poisons! Yes sir, smoking separates the men from the boys; I know it's true because I heard it on the radio.

The way we spend the money that God has entrusted to us is one way of measuring our development. For instance, if we waste our money on useless, harmful habits, it is evident that we aren't maturing very well. Therefore, if you would be mature, get in the habit of spending your money on such beneficial things as exposing your lungs to 49 poisonous gases and substances. It is evident, sure, even to the faintest thinkers, that only a mature person would invest his money in a sure way to shorten his natural life span.

## Signs Of Maturing (In Reverse!)

By Ron Halbrook.

We are going through a period of adulthood from childhood to adulthood. As we grow in age, more and more signs of this transition should become apparent by our conduct. This trend toward maturity should show up in every aspect of our life—including the habits we take up.

Many quite obviously immature people have taken the posterous position that cigarette smoking is NOT a sign of maturity. Therefore, in the noble interest of truth, I have taken myself with proving being a shadow of a doubt that smoking is a sign of retarded development and maturity.

When a person becomes mature, he will be able to make his own decisions; he must be able to think for himself. Since it is advertised which makes it true, "men who think for themselves" smoke a certain brand; I certainly must take up the habit to become a "thinking man." Beacul, what a great, thinking man it takes to enslave himself to a habit that will multiply his chances of getting lung cancer by TEN! Behold, what a great thinker it takes to enslave himself to a habit that has the potential to shorten his normal life span by seven years or more! Truly, being able to think for oneself is a step toward adulthood.

Smoking another brand will separate us from the younger boys. As we mature, should not our thoughts and actions separate us from children? Then, let's waste no time, friends; we had better start, today, proving our maturity by sucking on this sweet little "stick of maturity" that contains only 49 deadly poisons! Yes sir, smoking separates the men from the boys; I know it's true because I heard it on the radio.

The way we spend the money that God has entrusted to us is one way of measuring our development. For instance, if we waste our money on useless, harmful habits, it is evident that we aren't maturing very well. Therefore, if you would be mature, get in the habit of spending your money on such beneficial things as exposing your lungs to 49 poisonous gases and substances. It is evident, sure, even to the faintest thinkers, that only a mature person would invest his money in a sure way to shorten his natural life span.

## What's His Study Hall?

What! "There goes the bell. Now I go to study hall. Brother what a blast, nothing to do but sit and read magazines." Do these thoughts go through a student's mind every day as that hour approaches? What a time waster he must be. Study hall is for studying, not for "having a blast." If Student (A) elected study hall for this year, why shouldn't he make good use of the time he will have. One hundred and eighty hours of school time shouldn't be wasted.

Study hall time can really be useful to the alert student who learns to use his time. Since he has easy access to the library, he should volunteer for those extra reports and read all the books on the book list his teacher gave him. Remember, the student who goes beyond the regular daily assignment is always rewarded with extra knowledge as well as good grades.

Become familiar with the library. If one expects to go to college he will have to spend many more hours in the library doing research, so he should get a head start by learning how to find material.

No matter how one uses his precious study hall time; doing homework, reading, or studying for tests, he should always try to conduct himself in such a manner that he does not distract from other students who may be studying.

Children may tear up a house, but they seldom break up a home.

The only people who do not make mistakes are dead people. A wise man is like a straight pin, his head keeps him from going too far.

Children may tear up a house, but they seldom break up a home.

## Sh h h h h !

Only the shuffling of shoes, swishing of skirts, and slamming of lockers were heard at Belle Glade High School last Friday as students moved through the corridors. Even in the classrooms, not a word broke the silence.

For many of the students, especially the more boisterous, Silence Day was a difficult one, but for all it was a day in which they honored the Golden Rams showing their school spirit by disciplining themselves to silence for four hours.

The day began for 741 students with first period, skipping homeroom. This confused many students who had listened inattentively to the announcements or simply for gotten. At 10:21 with the ring of the tardy bell for third period a hush came over the entire school. Silence Day had begun.

Communications were hindered but certainly not cut off as students moved their lips, made gestures, and scratched notes to one another.

To an outsider this most unusual day might have been frightening, or possibly fascinating as it was to many students. Perhaps the most amusing outcome of the day happened at lunchtime when some of the "privileged" seniors left the campus to eat and supplied their orders written on paper.

When students assembled in the gymnasium at 2:40 for the pep rally, the finally broke the silence and also the sound barrier with their united cry of "Yeeehaaaahhhhh Belle Glade!"

## Fire Drill In Study Hall?

"All right class, everyone out under the tree."

These words became familiar to the students in first period study hall last Monday when the activity bell rang in the middle of the class.

Mr. Ronald Jones, the study hall teacher at the time, immediately fled everyone out of the room and headed them towards the tree to the side of the school.

"What's going on?"

"We're not having a fire drill. That's just the activity bell. But before they knew what was happening, they were out under the tree."

After the second bell rang he marched them back to the study hall where the students resumed their studies.

It seems that Mr. Jones did not remember about the schedule, which has been added to keep from interrupting sixth period on the days which pep rallies and assemblies are scheduled. The new schedule will cut out home room and the break and each class will be shortened a few minutes.

According to some of the comments from other teachers the activity bells have caused the little confusion. Some of the teachers report that they have almost done the same thing at one time or another.

Do you know why universal ties have so much learning? The freshmen bring a little in and the seniors take none out so it sort of accumulates over the years.

Remember when you make New Year's resolutions, they are like crying babies in church, they need to be carried out.

## The Hazards Of The Typing Class

The moment one enters a typing class he suddenly realizes that this little room is simply a smartly organized horror chamber. He is instructed to choose his weapon. There's only one small catch to this — they're all covered. The teacher says the little grey cover is to protect his weapon, but beware, the grey cover's real purpose is to hide the weapon which doesn't have the keys marked!

After beating his fingers to a pulp, jamming his fingers between each key, he finally acquires a little speed and accuracy. But the teacher will immediately destroy these fine qualities with seven simple words. "We will now take a timed writing."

Without fail the student will get sweaty fingers, set his margins wrong, and spell his name wrong. Even though he feels as if at any minute he's going to fall completely out of his chair, here has never yet been a casualty to come out of a typing class.

But never fear, if one doesn't earn to type, he will at least broaden his vocabulary.

It is no small art to sleep; to achieve it one must keep awake all day.

It is no small art to sleep; to achieve it one must keep awake all day.

It is no small art to sleep; to achieve it one must keep awake all day.

## A Salute To The New Senior Students

"The school is great! The students are friendly. It's like most schools. Uh..."

These were some of the answers from the six new students when asked "How do you like our school?"

The new seniors are Louise Knapp from Westborough, Massachusetts; Maria Koppell from Camaguey, Cuba; Anna Ramirez from Havana, Cuba; Peggy Burchard from Stuart, Florida; Bonnie Moseley from Janet and Ginger Critchfield, from Ft. Mead, Fla. and Victor Venos from Lake Worth, Florida.

The Student Body would like to extend their hand in welcoming each and everyone of you to Belle Glade High School and hoping you have a prosperous and rewarding Senior year at our school.

# The Ram-Page

SEPT. 24, 1963 THE HERALD, Belle Glade, Florida Page 11

## Belle Glade Plays Forest Hill

The Belle Glade Golden Rams will meet the Forest Hill Falcons, Friday night, September 27th in the first home game of the season.

Coach Burke says that the Rams are in potentially good shape with the backfield equal or better than last years. He says that Forest Hill will be one of our hardest and heaviest opponents we face this year. But even though Forest Hill is rated No. 1, Coach Burke feels that the Rams have the advantage since it is their first home game.

**Pop Rally**  
It has been a tradition since Forest Hill school opened for the opponents student council, president, and captain of the cheerleaders to visit the normally of the home team on the day of the game.

**Car Parade**  
Following the pep rally Friday afternoon there will be a car parade for students. All students wanting their car decorated please place a piece of paper under the windshield wiper. The parade will leave school at 3:15 go down Avenue A and up Avenue B, out to the Bowling alley, then back to school.

**Dance**  
There will be a victory dance immediately after the game in the high school cafeteria. School dress is required and admission will be 35c and 50c. Everyone is urged to come.

## Captains For 63-64

Johnny Dell and Charles Thompson completed their first duty as captains of the football team Friday night in the game against Vero. They were chosen for their team spirit and leadership ability by a vote of the fans. The boys are well liked and respected by the entire student body.

Johnny and Charles are first year veterans for the Rams. This year they are expected to play both offensive and defensive positions.

"Both boys have high academic standings and are expected to contribute greatly to a fine team."

## Lotta Problems

Dear Lotta,  
I went to the 3:00 p. m. matinee the other day and sat down before the boy I love. A few minutes passed and he got up and left without saying a word. It was 12 p. m. when I left, and he still hadn't returned. Do you suppose he meant this as a hint?

Dear Confused,  
No, he probably got lost on the way to the refreshment stand.

Dear Lotta,  
I have a bad case of halitosis and my romances keep fading, fading away. What can I do?

Dear Stinky,  
In case of war, we want you on the front lines.

Dear Lotta,  
What can I do about a girlfriend who is becoming too fat?

Dear Sally Frick,  
niboy her two shades of powder and tell her there's a shade for each face.

## Hold Them... Hold Them! Hold Them!

And that's what they did! The game at Vero ended abruptly with neither team scoring. The Golden Rams held their own all during the game in spite of the numerous injuries.

One field goal was attempted by Eddie Buckner in the third quarter, then Vero attempted one in the fourth quarter. Both teams had the same luck with several touchdown attempts also.

Many Ram fans followed the team to Vero, let's keep the spirit up and support the team by going to all the games. Let the team know you're for them all the way!

## J. V.' Win!

Despite the driving rain last Thursday, Tony Latour scored the winning touchdown for the Belle Glade J. V.s who won the game against Boca Raton 6-0.

Since the field was wet the ball became quite slippery, causing a number of fumbles. Belle Glade ran a terrific defense keeping their opponents on their own end of the field almost the entire game.

There were some four hundred spectators who turned out for the game which was played in Boca Raton. This game has certainly proven the defensive power of the Belle Glade J. V.s.

## Rams vs. Seacrest

The J. V.s met Seacrest on their field at 7:30 tonight for the second game of the season. Seacrest is one of the largest schools, and will be hard team to beat, but Belle Glade is counting on the Junior Varsity to win.

## Gossiping Gandy

Skipped any classes lately, Dick W? Better cut that out. Senior class officers, how were the sandwiches Wednesday morning? Tell us about it!

Mickey M. and Barbara C. Cecilia E. WHO IS it now? Pam I. who do you watch television with now? Could it be John Brown E?

Paula R. What do you mean you went to the Pahokee game instead of the Belle Glade game?

Don't love them and leave them, John C. Mr. Hayes, seems to be having

## Editorials Ban The Test Ban!

By Sharon Motes

A few hours before the signing of the limited nuclear test ban agreement in Moscow, Nikita Khrushchev beamed. This treaty we are going to sign this afternoon is just what the doctors ordered. There were many who could agree with Khrushchev but already the question of the risks began to arise.

The nuclear test ban is an agreement to stop atmospheric testing of nuclear weapons. Scientists disagree as to how much we can gain as much information from underground tests. Edward Teller, the scientist largely responsible for the development of the hydrogen bomb, has pointed out that if war comes, the U. S. will tilt on the defensive. Therefore, defensive nuclear weapons will be used over our own territory and should be as free as possible from fallout. A good start has been made toward developing cleaner nuclear weapons, but there is still much more we need to know and much more atmospheric testing necessary. Also, this ban on atmospheric testing will keep us behind Russia in strategic nuclear weapons, and give them a chance to catch up in small tactical weapons.

Politically, it is true that East-West relations may improve, at least temporarily. The fear will last only until Russia is ready to take the next step in their plan for world domination. One would not understand the true nature of Communism to believe that improved relations could be established permanent-

## Seniors Reminded Of CEEB Tests

The U. S. Coast Guard is reminding senior boys that the deadline to apply for the College Entrance Examination Board Tests, which will be the basis for selection of Cadets at the U. S. Coast Guard Academy, is November 6, 1963. The CEEB tests will be given throughout the United States and abroad on December 7.

Entrance to the Coast Guard Academy at New London, Conn. is won through nationwide competition. There are no Congressional appointments and no geographic quotas. The CEEB tests will be for selecting the Cadet class which will report to the Academy in July 1964, to begin the four-year course. The Academy offers a Bachelor of Science degree and a commission in the Coast Guard. This is the first year the Coast Guard is using the CEEB tests.

An applicant for the Academy must be a high school senior who will graduate and must be between 17 and 22 years of age. Cadet candidates must also be U. S. Citizens, unmarried, of good moral character and in excellent health. The Coast Guard Academy was founded in 1876. Enrollment is about 300 men. Although smaller in numbers, the Coast Guard Academy ranks with West Point, Annapolis and the Air Force Academy as among the nation's top colleges.

Young men interested in applying for Coast Guard Cadetship can obtain complete information and application forms by writing to: U. S. Coast Guard Cadet, Miami 32, Florida.

ing a few extra-curricular activities lately. Who is SHE? Baby Ray S. now realizes that teachers do have their eyes open during lunch period!

Barbara C. we're not believing you took a whole bus load to the game last week. Danny L. have you been making out lately with Jo V? Who made it back in record time from Vero?

Laura and Roy, will you ever make up your minds? Mary Kate P. were you surprised? Happy Birthday!

Mr. Chivalry is not dead, is it? Bert D. you seem to have a one-track mind according to a few senior girls.

Why not give the other girls a chance, Larry B.

## Dress Observed Around Campus

Students of Belle Glade High are to be complimented on the good taste they have shown in their school dress this year.

Girls are wearing hair styles more becoming to teenagers and are appearing in more tailored clothes, such as, shirt waist dresses, wrap around skirts with tailored blouses and jumpers of all kinds.

Everyone will agree that this is a pleasant change from the teased hairdos and the over-dressed appearance.

Few boys are seen around school without belts. This is one of the school policies, but it hasn't brought about a problem. It just happens to be that it is the style to be dressed neatly. To be considered well-dressed, a belt is essential.

The main fad, shared by both boys and girls, is Tassel and Penny loafers.

Both students and faculty agree that simplicity and neatness is a welcome change.

## CLUBS

### THE LIBRARY CLUB

The Library Club held its first meeting of the year Tuesday, September 17, in the Library. Officers were elected as follows: President, Ellen Keesee; Vice President, Vicki McCarthy; Secretary/Treasurer, Vicki Bryson.

Plans for raising money were discussed. A school dance and rummage sale were mentioned as possible ways to raise funds. The club is taking as a project the purchase of magazine binders for the library. These binders will keep the magazines in better condition.

"Eighty worn-out books" have been sent away to the bindery for rebinding. The Library Club hopes to use some of funds raised to help with the binders.

**SCIENCE IN THE NEWS**  
An organizational meeting of the Science Club met at 7:00 Thursday evening in the Science Department.

Susan Weaver, president, introduced the new officers who will be vice president, Farrell Kaufman; sec. Ellen Keesee; and treasurer, Carolyn Cleveland.

This years sponsors are Mrs. Margaret Jones, eighth grade science teacher; Mr. William Groover, physics, chemistry and general science teacher; Mrs. Margaret Murphy, seventh grade science teacher; and Mr. Carl Hill, biology teacher.

A cordial invitation is extended to all teachers, parents, and students to attend the meetings held the first and third Thursdays of each month.

**F. H. A. News**  
The Future Homemakers held an officers meeting on September 3 to plan the calendar of events for this year. The regular meetings will be held every fourth Monday night of the month.

The officers who were selected for this year are Pat Fisher, President; Joan Fostenberry, Vice-President; Judy Seiler, Secretary; Irene Ashley, Treasurer; Laura Rogers, Chairman of Recreation; Cecilia Mathis, Historian; Wranice Holton, Parliamentarian; Joyce Kirchner, Reporter; Linda Hart, Project chairman.

For the first time in the history of Belle Glade High School, the district F. H. A. meeting will be held here. Schools from Palm Beach, Broward, Hendry, Dade, Monroe, and Collier counties will be represented. Other activities for the year are sponsoring a Saddle Hawk's Dance a Valentine's Dance, the Little Miss Belle Glade Contest. At the end of the year an evening is planned for the members.

Miss Martha Sawyers and Mrs. Edna Littlefield are co-sponsors for the club. This is the first year Miss Sawyers will work with a group of this type. Her feelings about the group are these: "I am really looking forward to this year because it will be my first year working with an F. H. A. club. With the state of officers we have, I think we will have a good club of our heritage."

## belle glade's new traditional shoppe

a traditional shop is one with that "country casual look" rather than the cold atmosphere of the concrete, aluminum and glass of many "modern" shops.

appealing to that 80 percent of the buying public, the younger set, the "red shutter" is offering high styled clothes with a tailored look, at popular prices.

you are always welcome to browse and look around and be served a coke or coffee and enjoy the atmosphere of casualness and warmth with a background of music.

the red shutter's association with american retailers service and it's buying office in new york city, allows us to be informed of all imminent and current styles, and to bring them to the glades folks.

the "red shutter" believes that merchandise properly displayed and without high pressure methods, will sell itself. high fashions for those who think young! come to see us - browse and be sociable!
